Dear Parent/Guardian:

We are excited to introduce the launch of our *LinkIt Student/Parent Portal*. The district uses LinkIt to analyze student achievement and set district, school, grade level, and class goals. LinkIt also provides benchmark assessments, which students take in Fall, Winter, and/or Spring depending on their grade level. The teachers use these results to personalize learning and set academic goals for each student.

We are excited to welcome parents into this process and encourage you to set up your LinkIt parent portal. By reviewing your child's current and historical assessment performance, you can help us to work with your child to meet and exceed grade level expectations. Depending on your child's grade level, you may see results on the following assessments. There is additional information about these assessments linked for your reference.

- [New Jersey Student Learning Assessments \(NJSLA\)](#)
- [Dynamic Indicators of Basic Early Literacy Skills \(DIBELS\)](#)
  - [\(Click Here for Spanish\)](#)
- [LinkIt Benchmark Assessments](#)
- [ACCESS 2.0 for English Language Learners](#)

You will be receiving an email directly from LinkIt with your unique registration code. The sending address is [registration@linkit.com](mailto:registration@linkit.com), so please be on the lookout for that email. You may need to check your spam/junk folders. Once you receive that email, you can watch the video below or follow the step by step instructions to guide you through setting up your parent portal account.

Estimado Padre / Tutor:

Estamos emocionados de presentar el lanzamiento de nuestro Portal para Estudiantes/Padres LinkIt. El distrito usa LinkIt para analizar los logros de los estudiantes y establecer metas para el distrito, la escuela, el grado y la clase. LinkIt también proporciona evaluaciones comparativas, que los estudiantes toman en otoño, invierno y/o primavera, según su nivel de grado. Los maestros usan estos resultados para personalizar el aprendizaje y establecer metas académicas para cada estudiante.

Nos complace dar la bienvenida a los padres a este proceso y los alentamos a configurar su portal para padres LinkIt. Al revisar el desempeño de la evaluación actual e histórica de su hijo, puede ayudarnos a trabajar con su hijo para cumplir y superar las expectativas del nivel de grado. Según el nivel de grado de su hijo, es posible que vea resultados en las siguientes evaluaciones. Hay información adicional sobre estas evaluaciones vinculadas para su referencia.

- [New Jersey Student Learning Assessments \(NJSLA\)](#)
- [Dynamic Indicators of Basic Early Literacy Skills \(DIBELS\)](#)
  - [\(Click Here for Spanish\)](#)

Recibirá un correo electrónico directamente de LinkIt con su código de registro único. La dirección de envío es [registration@linkit.com](mailto:registration@linkit.com), así que esté atento a ese correo electrónico. Es posible que deba revisar sus carpetas de spam/basura. Una vez que reciba ese correo electrónico, puede ver el video a continuación o las instrucciones paso a paso para guiarlo a través de la configuración de su cuenta del portal para padres.
