Dear Parent/Guardians:

The Transportation Department is currently working on bus routes for the upcoming school year; therefore, we will need information regarding your childcare arrangements as soon as possible. Childcare transportation can only be provided within each school's sending area. Unfortunately, the previous year's childcare information you provided is not saved in our computer program.

In order to make your child's transportation requirements proceed more smoothly, it is important that you complete the "Bus Change for Childcare Form" below and submit it to the school and/or our office as soon as possible.

Thank you and please call our office if you have any questions or concerns.

Sincerely,

Patricia Rose, Transportation Supervisor
